

REMARKS

Applicant has reviewed the Notice of Non-Compliant Amendment mailed June 30, 2005 and herein responds. In particular, the Notice indicated that the claims should begin on a separate page. Applicant has herein separated the amendments to the title, the specification, and the claims. For convenience, Applicant repeats the remarks provided in the original preliminary amendment:

"For clarity and conciseness, applicant has consolidated the changes from the Article 19 and Article 34 amendments (copies enclosed) into this preliminary amendment. If issues remain, the examiner is invited to contact the undersigned."

Respectfully submitted,
